The Florida Vaccines for Children (VFC) Program would like to take this opportunity to remind VFC providers if you would like to change the brand of vaccine you are currently receiving to another brand available through the VFC program, the request must be in writing.

Please write your request for the alternate vaccine brand in the comments section on page 2 of the Vaccine Report Form, available on our web site at: www.ImmunizeFlorida.org/vfc/forms.htm. We will honor all requests to change vaccine brands, depending upon availability and your regular ordering schedule.

If you have any questions, please contact your VFC representative at 1 (800) 483-2543.

If you have any questions about vaccine recommendations, please contact Laura Rutledge, at (850) 245-4342.
