VFC and H1N1 Vaccine Delivery Schedule for Martin Luther King, Jr. Holiday

The Florida Vaccines for Children (VFC) Program wants to inform all providers that our office will be closed on Monday, January 18, 2010 in observance of the Martin Luther King, Jr. day.

Below is information for both VFC and H1N1 vaccine ordering and shipments:

VFC and H1N1 Vaccine Orders:

- McKesson Specialty, VFC's national vaccine distributor, ***will not ship*** VFC-supplied or H1N1 vaccines on Monday, January 18, 2010.
- McKesson Specialty will resume vaccine deliveries of VFC-supplied and H1N1 vaccines on Tuesday, January 19, 2010.

Providers should ensure that their practice has an adequate supply of VFC or H1N1 vaccines in stock to prevent running out of inventory during holiday closures.
