State Surgeon General

IMPORTANT MESSAGE

New Vaccines Now Available to Order

The Bureau of Immunization is pleased to announce the availability of additional vaccines for ordering through the VFC Program.

Effective Wednesday, May 5, 2010, the following vaccines are available for ordering:

GSK Cervarix[®], HPV, NDC 58160-0830-11, 10-pack single dose vial
GSK Cervarix[®], HPV, NDC 58160-0830-46, 5-pack single dose syringe
Novartis Menveo[®], MCV4, NDC 46028-0208-01, 5-pack single dose vial

Effective Monday, May 10, 2010, the following vaccine is available for ordering:

Merck ProQuad, MMR-V, NDC 00006-4999-00, 10-pack single dose vial

The Advisory Committee on Immunization Practices (ACIP) recommendations are available at <http://www.cdc.gov/vaccines/pubs/ACIP-list.htm>. Vaccine Information Statements for these vaccines are available at <http://www.cdc.gov/vaccines/pubs/vis/default.htm>.

The updated *VFC Vaccine Report Form* is available on the VFC Program's website at <http://www.ImmunizeFlorida.org/vfc/forms.htm>. Scroll down to "Vaccine Reporting Forms" and click on your appropriate ordering schedule.

Please distribute this information to all appropriate staff and immunization partners. For additional information, please contact Robert Griffin regarding vaccine orders and Laura Rutledge for vaccine recommendations at (850) 245-4342.
